NOT IN THE TRUST

Our Missouri-made Twine

is not in the TRUST and we are the first man in the field with a price on Twine. We can only get a limited amount of this Twine and you must book your orders early. The price is only 10c. This Twine is made by our own state and unless you believe that Trusts are a good thing BUY MISSOURI MADE TWINE, IT'S NOT IN THE TRUST—Neither Local or Foreign. We are adding to our little stock of goods and have just recently put in

The best line of Steel Ranges Ever Shown In Jasper Co.

For the money. Just think of buying an elegant nickel trimmed Steel Range, with high shelf waring closet and reservoir for \$23.75. We defy Montgomery Ward, Sears Roebuck or any other big corporation, either LOCAL OR FOREIGN on the price and quality of this Range.

Some of our competitors are still telling you that if you buy from Bailey he will soon be gone and you can't get any repairs for your buggy or implements if you buy from him. But we are still adding to our stock. We now have the nicest line of Heavy and

Single HARNESS ever seen in Jasper and you will know they are not in the Trust, neither Local or Foreign when I price them to you.

Do you remember what a bad thing the Trust was in 1901 to some people in Jasper, and what a good thing they are in 1905? Don't you remember what a howl went up from some people in 1904 about the Great Trusts and Monopolies trying to gobble up all the business? My Farmer friend, if you think Trusts are a good thing then buy Trust Twine. It's up to you Mr. Farmer. My twine is not in the trust, and my price is 10c per

pound for nice, pure Sisal Twine. If you have placed your order without knowing the price you had better look out a little or you will get yourself into a pickle on this Twine deal, but if you believe Trusts are a good thing then buy Trust Twine.

If you want anything in Jasper (that's not in the trust) just phone No. 300—that's Bailey's Phone, for we have Hardware, Implements Buggies, Harness and all kinds of Horse and Mule Jewelry, Field & Garden Seeds of all kinds; Poultry Supplies, such as Oyster Shell, Crystal Gritt, Prepared Food for

little chicks, big chicks, old chicks, and young chicks and the best Stock Food ever sold \$1.50 for a 25 lb pail or an 8 lb package for 50c and NONE OF THESE GOODS ARE IN THE TRUST—Neither Local or Foreign.

Mr. Farmer, did you ever buy a 11-inch 4-hook collar pad for 25c until Bailey came to Jasper? Did you ever buy a 16-inch steel beam double shier Plow for \$12.00 until Bailey came to Jasper, or did you ever buy a good O K Washer for \$5.50 until Bailey brought the price down? Which is the better place to trade, the man that al-

ways asks you only price, or the man that getting a big profit on this old price because new competitor forces Farmer friend come in and let us make you for we are confident you lower prices on things that you have or will have to pay with the Great Big Trust. We haven't any ten fatall in our little business.

Yours for quick small profits, square dealing and No Trust,

multiple been cuts new My see us, price, make many saying trade We support

TEMPERANCE COLUMN

Conducted by the W. C. T. U.

The "don't worry club" is small compared with the "worry club" and we have lots to worry over on account of our whiskey soaked county. In one issue of Carthage Press there is found: Mike Patrick was released from jail with orders to remain sober and support his family.

Mrs. Gee wants divorce say her husband is in the habit of coming home drunk and striking her and throwing butcher knives at her.

Mrs. Harrison says her husband is addicted to drink and curses her and she wants a divorce.

Joe Barnett a stranger was arrested and said he was not intoxicated but only drunk. "I doan much talk English" but the poor fellow could drink like the English.

Three murder cases all caused by Saloonism.

The Campbells shot Harry Jack in the door of a saloon.

Back of a saloon Arch Macklin drove a pick in the head of an innocent man and killed him.

And the Brice murder suspects.

The court was asked to revoke a dram shop license at Neck City which shows the saloon keeper is a law breaker.

Ed Smith, Criswell & Brown were fined \$150 each for selling whiskey without a license.

Every saloon keeper in Webb City was arrested last week and fined for selling whiskey on Sunday.

Our county court only gives licenses to men of good character but lawlessness is one of the ingredients of saloon keepers characters.

We are glad to see that our W. C. T. U. Pres. of Reeds is awake to the lawlessness of the druggists and she has had one of them arrested in Reeds for selling whiskey without a prescription.

This one issue of the Carthage Press Mar. 30 will show what high license is doing. Any one half blind can see how we are cursed by the traffic. We don't need any Potterism but we need arousing of the voters for when the ballots say "Saloons must go" they will go.
